

2011 BABY BOTTLE CAMPAIGN

This formally runs from Mother's Day (May 8, 2011) through Father's Day (June 19, 2011).

If you are unfamiliar with this concept, allow us to explain. We provide empty baby bottles to your congregation or organization and ask that they fill them with loose change. It is a fun way for families to "help the babies." They can also be placed in different areas of the workplace.

Not only is this a fundraiser, it also raises awareness for Birthright of Columbia and what services are offered.

This is not restricted to just those weeks; it can be done anytime you like.

If your church or other organization would like to participate, please call 803.765.0165.
